IN-PERSON

1. Schedule a date and “host” address, date, and times.
2. Share this information with invitees.
3. On the date of the Watch Party, the host downloads the Encore Performance and sets up to stream on a larger screen in the host home.
4. Options for enjoying the Watch Party include a pot-luck meal, simple snacks and beverages, or catered event.
5. Before starting the video, share with everyone that if they become inspired, then they can go to: www.ShapingPeaceThruMusic.org and contribute through the DONATE NOW button.
6. Then click to begin the video and enjoy music from around the world!

VIRTUAL ZOOM

1. Schedule a date and time.
2. Host to send out a ZOOM link to all invitees.
3. On the date/time of the virtual Watch Party, the host has already downloaded the video by link and sets it up to show on screen. If another person will be showing the video, then the host should make that person a “co-host” to share his/her screen with the video.
4. Options for enjoying the virtual Watch Party are as varied as an individual’s wishes – a glass of wine, tea and cakes, snacks, or just enjoying the music from the comfort of one’s own home.
5. Before starting the video, share with everyone that if they become inspired, then they can use their phones or other electronic devices to go to: www.ShapingPeaceThruMusic.org and contribute through the DONATE NOW button.
6. Then click to begin the video, and enjoy music from around the world
